

fileutils::writeinlineitem

```
graph RL; A["fileutils::ttextfile::writeinline"] --> B["fileutils::writeinlineitem"]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'fileutils::writeinlineitem'. The box on the right is white and contains the text 'fileutils::ttextfile' on the top line and '::writeinline' on the bottom line. A dark blue arrow points from the right side of the white box to the left side of the gray box.

fileutils::ttextfile
::writeinline
