

TParameterization

```
graph BT; A[cosmologytypes::tcosmologyparameterization] --> B[TParameterization]
```

The diagram illustrates an inheritance relationship. At the bottom is a grey rectangular box with a black border containing the text 'cosmologytypes::tcosmologyparameterization'. A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box with a grey border at the top, which contains the text 'TParameterization'.
