

TCosmologyLikelihood

```
graph BT; A["elementabundances::  
abundancelikelihood"] --> B[TCosmologyLikelihood]
```

A diagram illustrating a dependency. A light gray rectangular box at the top contains the text "TCosmologyLikelihood". A dark blue arrow points vertically upwards from a darker gray rectangular box below it. The bottom box contains the text "elementabundances::" followed by "abundancelikelihood" on a new line.
