

gaugeinterface::getnumeqns

```
graph LR; A[gaugeinterface::getnumeqns] --> B[gaugeinterface::setupscalararrayindices]; A --> C[gaugeinterface::setuptensorarrayindices];
```

The diagram illustrates a function call. A gray rectangular box on the left contains the text 'gaugeinterface::getnumeqns'. Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box containing 'gaugeinterface::setupscalararrayindices'. The bottom arrow points to another white rectangular box containing 'gaugeinterface::setuptensorarrayindices'.
