

IndexCycler

```
graph BT; A[ propose::randdirectionproposer ] --> B[ IndexCycler ]
```

The diagram consists of two rectangular boxes. The top box is white with a thin grey border and contains the text 'IndexCycler'. The bottom box is grey with a thin black border and contains the text 'propose::randdirectionproposer'. A solid blue arrow points vertically from the top center of the bottom box to the bottom center of the top box.

propose::randdirectionproposer
