

modelparams::f_k

```
graph LR; A[modelparams::f_k] --> B[modelparams::rofchi]
```

A diagram showing a dependency between two variables. On the left, a gray rectangular box contains the text 'modelparams::f_k'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'modelparams::rofchi'. Both boxes have a black border.

modelparams::rofchi
