

snls::snls_alpha_beta_like

```
graph LR; A[snls::snls_alpha_beta_like] --> B[snls::invert_covariance_matrix]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'snls::snls_alpha_beta_like'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'snls::invert_covariance_matrix'.
