

quint::bde\_wde0

```
graph LR; A[quint::bde_wde0] --> B[quint::bde_xylata]
```

A diagram showing a relationship between two entities. On the left is a gray rectangular box containing the text 'quint::bde\_wde0'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'quint::bde\_xylata'. Both boxes have a black border.

quint::bde\_xylata
