

szcounts::szlikelihood_add

```
graph LR; A[szcounts::szlikelihood_add] --> B[szcounts::sz_init]
```

A diagram showing a dependency between two code elements. On the left, a gray rectangular box contains the text 'szcounts::szlikelihood_add'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'szcounts::sz_init'. Both boxes have a black border.

szcounts::sz_init
