

fileutils::checkopen

```
graph LR; A[fileutils::checkopen] --> B[miscutils::defaultfalse]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'fileutils::checkopen'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'miscutils::defaultfalse'.

miscutils::defaultfalse
