

cambmain::inittransfer

```
graph LR; A[cambmain::inittransfer] --> B[transfer::transfer_allocate]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'cambmain::inittransfer'. The right box is white and contains the text 'transfer::transfer_allocate' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.

transfer::transfer
_allocate
