

mcsamples::python\_param  
\_array

```
graph RL; getdist --> mcsamples::python_param_array
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'mcsamples::python\_param\_array'. The box on the right is white and contains the text 'getdist'. A dark blue arrow points from the 'getdist' box to the 'mcsamples::python\_param\_array' box.

getdist
